

Young Life Volunteer Opportunities

Because kids don't care how much you know till they know how much you care, Young Life leaders show they care by going where kids are, meeting them as they are, believing in who they can be. Within Young Life we call the persistent going out into the world of kids "contact work." But kids just call it friendship. We listen to their stories and learn what's important to them because we genuinely care about their joys, triumphs, heartaches and setbacks. Kids' lives are dramatically impacted when caring adults come alongside them, sharing God's love with them. They begin to see that their lives have great worth, meaning and purpose.
