

## ACTION

### Volunteer Opportunities

ACTION was born out of a desire to network churches, agencies, and businesses together to collectively serve the needs throughout the community. It engages thousands of volunteers to serve on hundreds of projects which focus primarily on seniors, disabled residents, under-resourced families, the homeless population, and at risk youth.

### Community Christmas Shoppe

Serve in the areas of gift wrapping, child care, food service, personal shopper, entertainment, and more.

- Groups can serve leading up to the event to sort toys, prepare rooms, prepare crafts, etc.
