

Family Rescue Center

Volunteer Opportunities

We serve individuals and families in need in the West Valley by providing food, clothing, medical and vocational training assistance, as well as referrals as needed. Our goal is to sustain people in desperate circumstances, empowering them to achieve personal and financial independence. We believe we are commanded to do this because Jesus said "love your neighbors as yourselves." We serve individuals and families in the West Valley by providing, at no cost to receiver: * Food Distribution * Secondhand Clothing * Holiday Food & Toy Distribution * Backpacks & School Supplies * Medical and Vocational Training services * Referrals to Other Service Agencies.

These are the types of ongoing volunteers we need:

- Clothes Sorter - work in the clothing room to sort donated clothes during office hours
- Pantry Helper - stock pantry shelves during office hours
- Maintenance Worker - help with minor repairs for the office
- Food Transporter - pickup donated food, hours vary and do include Saturday afternoon
- Office Helper - filing and data entry during office hours

Please email Joel Valle at joel@rescatefamilycenter.org to coordinate schedules for the above opportunities.

All of our events need many volunteers.

Please call Robin Noll at 818-692-6992 to volunteer at an upcoming event.
