

CarePortal

3 Ways to Give

1. Online Donation to Care Portal US Kids Fund

Give today and help kids across the nation.

Give one time: <https://www.careportal.org/give/> for a tax deductible gift.

You can help vulnerable children and families in your own neighborhood and across the United States. 100% of your tax-deductible donation to the The Global Orphan Project's "Help U.S. Kids Fund," which will enable local churches to connect and serve hurting kids in their own communities through the CarePortal platform. When donating you can specify the donation is for LA County CarePortal under "Leave a Comment."

2. Become a Care Portal Partner

Sign up to help kids in your community.

Here's how it works:

1. Go to [careportal.org/church/the-church-at-rocky-peak/95585](https://www.careportal.org/church/the-church-at-rocky-peak/95585), enter your information, and link to Rocky Peak.
2. Select the communities from which you would like to receive alerts.
3. You will receive an email when churches in your selected community(s) request help to meet needs identified by local child welfare agencies. You may unsubscribe from these emails at any time.
4. To respond to a request for help, simply reply to the e-mail you receive with how you can help, and the main point of contact at the partnering churches will respond.

3. In-Person Donation

On Thursday at our Family Fun Night Drive Thru, you can turn in your change and dollars for Rocky Peak's Care Portal Cash Fund. CarePortal brings the critical needs of hurting children, adults, elders and under-employed in your community to your attention. Caseworkers uncover the needs and CarePortal makes local churches aware, giving responders a real-time opportunity to help. Rocky Peak will be able to respond to specific needs and requests within a 15-mile radius.
