My people have committed two sins:

They have forsaken me,

the spring of living water,

and have dug their own cisterns,

broken cisterns that cannot hold water.

### *The Crucial Question*

⇒ \_\_\_\_\_ ... \_\_\_\_\_ You \_\_\_\_\_ ?

There is in all of us, at the very center of our lives, an aching, a burning in the heart that is deep and insatiable. Most often we try to quench that yearning with a human relationship. We try to fill in the gap of our existence with a friend or a lover. But no human relationship — no matter how wonderful — can ever complete us. ... Why? Because human beings can never make us whole. ... It is God who satisfies the ultimate longing for belonging and gives us meaning in our lives.
