

Into Focus Mobile Vision Clinics

Volunteer Opportunities

We are a group of trained volunteers who provide basic vision care. Into Focus has helped over 57,000 people worldwide. We believe in the value of all people. We believe that too many people around the world suffer from correctable vision problems and correctable "blindness" due to economic and social problems that exist in their societies. Our local ministry leaders, Vivian and Rick Parcels are continuing to develop our local reading glass clinic opportunities.

Come and serve with us for part of the day at a local church or homeless shelter. We give away free reading glasses and share the love of Jesus. Share your testimony with someone and let them know about the hope they can have in Jesus! If you haven't joined us yet, we will train you! Provide practical help through much needed reading glasses and share the love of Jesus. Contact Vivian at vivian@intofocusvision.org for more information.

For general information, email us at support@intofocusvision.org, or call us at 818-518-9113 x 102.
