

Volunteers Cleaning Communities

We are a community-based organization focused on helping make the world around us a better, cleaner, environmentally friendly, litter-free place.

We do cleaning events at least twice a week which gives the volunteers a choice - it is great exercise, a chance to meet great like-minded volunteers, have some fun and make a difference in your community! We're excited to have you join the team!

Find Saturday cleaning opportunities and more information at: volunteerscleaningcommunities.com

ADOPT-1-STREET PROGRAM

Join volunteering individuals and groups from all over our community who have pledged to help keep our city clean! As an Adopt-1-Street volunteer you "adopt" an area that you are committed to keeping litter free for a period of one year.

On your own:

This weekend and every weekend we challenge EVERYONE to "take a walk, take a bag, take some trash off the streets!"

The bag should be one of your trash bags you use every day and/or a grocery bag like you get from your local market. Fill it with all the litter you find (including cigarette butts) in your selected area.

Grab your friends, your family members, your dog, your neighbors, or just go out alone on your walk and have some fun – let me know if you find something highly unique on your walk (or even money). This is a great activity to do with your kids!

After you collect your bag of litter – TAKE A PICTURE – SEND it to jillmather@earthlink.net or text to 818-519-7567 with THE YOUR NAME and THE CITY you collected it from.
